Your Compliance Needs, Our Compliance Solution

TRAINING
Bloodborne Pathogens, HIPAA, Hazcom & DoT Training

The BBP Training satisfies the annual OSHA Bloodborne Pathogens requirement on exposure control principles and practices. The Hazcom Training satisfies OSHA's Hazard Communication Standard. The HIPAA Training satisfies the HHS privacy requirement.

- Easy to follow online training videos
- Train in less than one hour
- Instant certification with automatic online storage
- Complete, easy-to-use administration page
- Automatic email reminders

MSDS/SDS
Safety Data Sheet Management

The perfect MSDS/SDS online solution for any business. Search, view, print, save, and organize all of your MSDS/SDSs easier and faster.

- MSDS/SDSs the way you need them organized: by location, department or room
- Add electronic notes to each MSDS/SDS
- Millions of MSDS/SDSs
- Immediate OSHA compliance
- 24/7 MSDS/SDS access

ONLINE SAFETY AUDITS

Assess and identify health, safety, and fire hazards as they apply to specific OSHA Regulations.

- Answer questions, add comments, and take photos for each question
- View corresponding regulations as they apply to each audit question
- Assign tasks with email reminder to correct deficiencies
- Over 75 safety audits

ONLINE SAFETY PLANS

Complete and edit OSHA compliant safety plans, and make them available for your employees to view online.

- Exposure Control Plan
- Hazard Communication Program
- Fire Prevention Program
- Emergency Action Plan

FEDERAL REGULATIONS

Research, print, and organize the complete Code of Federal Regulations. Understand and share OSHA, EPA, DoT/Hazmat regulations and more.
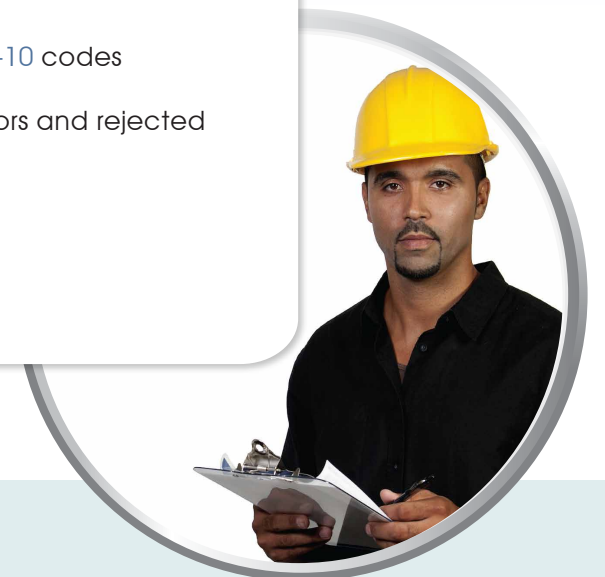

- All 203,000 federal regulations
- Continuously updated
- Includes current and archive regulations
- Add electronic notes

ICD-10

Prepare now to ensure a smooth transition to ICD-10. Search, print, and bookmark all of your relevant codes.

- Convert ICD-9 to ICD-10 easily
- All ICD-9 and ICD-10 codes
- Reduce billing errors and rejected claims

ADVOWASTE
MEDICAL SERVICES, LLC

Since 1985, the online compliance portal has been a trusted resource to thousands of businesses for compliance information, tools and training. We continuously make improvements to keep you on top of the ever changing world of compliance. You are invited to experience our Online Safety Compliance Portal, designed to cost effectively manage multiple compliance requirements easier and faster.

Our mission is to revolutionize the way companies manage their compliance, thus reducing risk, protecting the health and safety of workers, and protecting businesses from the costly fines associated with non-compliance.
