

EVERY employee must be trained on the new Hazcom requirements

Our online training class lets you start and stop the course at your convenience, provides a six-part training session, tests, and an instant certificate of completion.

As the training administrator, you have complete control. Assign training, view all training in progress, see test scores, view certificates, and more.

OSHA has introduced a new training, **Hazard Communications Training (Hazcom)**, that is required for nearly all employees. Our online Hazcom training meets the new OSHA requirement as part of our online safety program, which includes:

- **Safety Data Sheet (MSDS/SDS) management** - Access millions of MSDS/SDSs
- **Safety Plan Builder** - Complete all your OSHA required safety plans in minutes
- **Safety Audits** - Are you OSHA compliant? Find out here.
- **Training** - Safety training for your employees
- **Federal Regulations** - Find the answers you need instantly
- **and more...**

Since 1985, the online compliance program has been a trusted resource to thousands of businesses for compliance information, audits, and training, helping you manage your compliance needs with our one-stop compliance solution.
